897 Frelinghuysen Avenue • Newark, New Jersey 07114-2195 • (973) 242-2900 • Fax: (973) 242-0578

## PREP N' STAY

### Section 1 – Material Identification

Product: Prep N' Stay  
Date Prepared: 03/17/2011

Manufacturer: Pharmaceutical Innovations, Inc.  
Telephone: 973-242-2900

### Section 2 – Hazardous Ingredients

Isopropanol (Alcohol)

### Section 3 – Physical/Chemical Characteristics

|                      |                                 |                         |                   |
|----------------------|---------------------------------|-------------------------|-------------------|
| Boiling Point:       | Alcohol evolves at 82°C         | Evaporation Rate:       | ND                |
| Solubility in Water: | Complete                        | Density:                | 1.007 at 25° g/cc |
| Vapor Density:       | ND                              | Vapor Pressure (mm Hg): | ND                |
| Appearance & Odor:   | Blue thin liquid – alcohol odor | Melting Point:          | Below 0°C         |

### Section 4 – Fire and Explosion Hazard Data

|                                   |  |                                     |      |
|-----------------------------------|--|-------------------------------------|------|
| Flash Point:                      | No information available                                       | Lower Exposure Limit:               | ND   |
| Extinguishing Media:              | All types  | Upper Exposure Limit:               | ND   |
| Flammable Limits:                 | OK   | Unusual Fire and Explosion Hazards: | None |
| Special Fire Fighting Procedures: | Use self-contained breathing apparatus and protective clothing |                                     |      |

### Section 5 – Reactivity Data

|                  |        |                                   |                |
|------------------|--------|-----------------------------------|----------------|
| Stability:       | Stable | Hazardous Decomposition Products: | None           |
| Incompatibility: | None   | Hazardous Polymerization:         | Will not occur |

### Section 6 – Health Hazard Data

|                                 |   |                                     |                             |
|---------------------------------|---|-------------------------------------|-----------------------------|
| Primary Routes of Exposure:     | Mild irritation of eye, nose and throat |                                     |                             |
| Skin:                           | No Hazard                               | Ingestion:                          | Same effects as isopropanol |
| NTP:                            | None                                    | IARC Monographs:                    | None                        |
| OSHA Regulated:                 | No                                      |                                     |                             |
| Signs and Symptoms of Exposure: | Same signs as alcohol                   |                                     |                             |
| Medical condition:              | None                                    | Emergency and First Aid Procedures: | Same as alcohol             |

### Section 7 – Precautions for Safe Handling and Use

Steps to be taken in case material is released or spilled:  
Eliminate all sources of ignition. Small spills should be flushed with large quantities of water. Large spills collected for disposal due to alcohol content.

Waste Disposal Method: For large quantity, incinerate in a furnace where permitted under appropriate Federal, State, and local regulations

Precautions to Be Taken in Handling and Storing: None

Other Precautions: Keep away from heat, sparks, and open flame. Avoid contact with eyes.

### Section 8 – Control Measures

|                            |                                    |             |              |
|----------------------------|------------------------------------|-------------|--------------|
| Respiratory Protection:    | Self-contained breathing apparatus |             |              |
| Ventilation:               | None                               |             |              |
| Protective Gloves:         | Not Required                       | Local:      | Not Required |
| Other Protective Measures: | Not Required                       | Special:    | Not Required |
| Work/Hygienic Practices:   | Normal                             | Mechanical: | Not Required |
| Eye Protection:            | Protective eye goggles             | Special:    | Not Required |

This Material Safety Data Sheet (MSDS) has been prepared in compliance with Federal OSHA Hazard Communication Standard, 29 CFR 1910.1200. Pharmaceutical Innovations believes this information to be reliable and up to date as of the date of this form, but makes no warranty that it is.
